RE: City of New Philadelphia Leaf Pickup

Our citywide leaf pickup will begin on Monday, November 4th, 2024. Please rake leaves to the curb strip, but NOT in the street. We will pick up bagged leaves if residents choose to bag them.

The schedule is as follows:

We will then begin picking up leaves in the downtown area - Central Business District (CBD).

Following the CBD, will be the main thoroughfares:

- North & South Broadway
- East & West High Avenues
- Fourth Street N.W.
- And then continue throughout the rest of the city.

Once the initial pickup is completed throughout the city, we will make a second pass through to pick up any additional leaves.

Please call the City Garage at 330-339-2121 with any questions.

Thank you.
