North Carolina Flood Donation Drive a Success

On October 11 and 18, 2024, New Philadelphia Court Probation Department and staff, along with Officers from the New Philadelphia Police Department and numerous community members, volunteered their time to help collect and organize donated items for the North Carolina Flood Victims.

On October 19th., volunteers were able to load a large box trailer to capacity and deliver it to Berean Church warehouse in North Wilkesboro, North Carolina. The Berean Baptist Church will distribute the supplies to families in need.

It goes without saying that in a time of need our community always steps up to help. The generous donations varied from can-openers to pet food, to hygiene and cleaning products, and warm clothing.

On behalf of the New Philadelphia Municipal Court Probation Department and staff, we would like to express our sincere thanks to our local community and every person that donated in this time of need.

Special thanks to:

Judge Von Allman, Chief Tessa Pohovey, Ty Norris, Chaz Willet, Chad Dorsey, Alex Rosenberry and WJER/WTUZ Radio for all their assistance in making this effort a success.

We are proud to call this Community our home.
