***Mr. Holland had the following statement:***

*I had not met James but I did talk with Chief Parrish who had nothing but accolades for Jim's service and certainly 19 years of service in the community deserves recognition.*

*I would have the honor to work with Mr. Miceli on many fires as Superintendent of the Water Department. I would go out to the fires with them. He would show good leadership. We're losing a good trainer and a teacher.*
